

Nidd Valley Road Runners. Social Media Policy.

“Social media” is the term commonly given to web-based tools which allow users to interact with each other in some way – by sharing information, opinions, knowledge and interests online.

As the name implies, social media involves the building of online communities or networks to encourage participation and engagement. Nidd Valley Road Runners maintain a presence on Facebook internet based platform for that very reason.

The club recognises the importance of this for the promotion of the club’s activities and in providing a place for members to interact and build the club community.

This policy outlines some simple guidelines that should be followed by club members when using any NVRR social media platform.

Do’s and Don’ts regarding posting/interacting on Social Media

- Be respectful, polite and positive.
- Treat others the way you would like to be treated.
- Remember many different audiences may see your posts including club members, potential members, children, members, relatives and friends.
- Have discussions, not arguments
- Do not spot light or make personal attacks on individuals
- Avoid posting inflammatory, extraneous, objectionable or off-topic messages that may provoke others into an emotional response (trolling/flaming).
- Avoid topics that may be controversial, like politics and religion.
- Don’t post anything that you wouldn’t say openly in a workplace such as comments about drug use, profanity, racist, sexist or sexually harassing.
- Be in the right state of mind when you make a post. Don’t post when you’re angry, upset, or your judgment is impaired in any way.
- Do share ideas, offer support and encouragement and advice on all things running.
- Remember, the Internet is permanent!
